

Daughters of the King LADIES BRUNCH

The recent Daughters of the King Ladies Brunch and Silent Auction was a remarkable success, and we extend our heartfelt gratitude to everyone who supported and attended the event. The brunch saw an impressive turnout, bringing together a vibrant community of women who enjoyed a delightful morning filled with meaningful conversations, entertainment by the talented girls at Carpenter Place, and delicious food.

The silent auction was a highlight, offering a wide array of unique items that sparked friendly bidding wars and generous contributions. Thanks to the enthusiastic participation and support of our attendees, we raised significant funds that will help continue the impactful work of Carpenter Place. We are truly grateful for the dedication and generosity shown by all, and we look forward to hosting more events that strengthen our community bonds and mission to nurture deeply hurting girls to restored relationships with God, family, and community.

AROUND CAMPUS

We have had a busy winter at Carpenter Place. The Daughters of the King Ladies Brunch was a fun morning at the Crestview Country Club. A highlight of the day was listening to the girls' beautiful singing.

The girls had a permanent jewelry party hosted by Aungelica Friesen. It was a fun evening!

The girls were invited to sing at the Crestview Country Club Women's Christmas Luncheon. They did a wonderful job!

The girls finished their apron sewing project with Miss Kristin. They also donated the quilt that they had been working hard on all year to the Daughters of the King Ladies Brunch Silent Auction!
